QUARTERLY COMPLIANCE AND ENFORCEMENT SUMMARY

January 1, 2008 to March 31, 2008

The 1st Quarterly Compliance and Enforcement Summary for 2008 outlines 3 Orders, 44 Administrative Sanctions, 266 Tickets and 11 Court Convictions for a combined total of $88,599 in fines.

Notable highlights this Quarter:

The Conservation Officer Service (COS) has been working with the Ministry of Tourism, Culture and the Arts and the Ministry of Forests and Range to raise public awareness about the damaging impacts that "mud-bogging" and other off-road activities can have on sensitive wetlands, grasslands, and sub-alpine areas. In 2007, new ticketing provisions were made available to the COS through section 46 (1.1) of the *Forest and Range Practices Act*. This summary highlights the first round of tickets issued under the new provision.

Walker Rook Addison pled guilty to four counts under the *Wildlife Act* for illegally harvesting three California bighorn mountain sheep and a white-tailed deer. The court ordered him to pay a fine of $400 plus $17,000 in creative sentencing to the Habitat Conservation Trust Foundation. He was additionally ordered not to hunt for a period of five years and to forfeit his hunting equipment that was seized in the investigation. The Conservation Officer Service wishes to acknowledge the instrumental role played by the public in the successful outcome of this investigation.

Orders

BRITISH COLUMBIA The Best Place on Earth | Ministry of Environment

ISSUED TO	LOCATION	ACT	REG.	SECTION	DESCRIPTION
Skore Holdings Ltd., Gurmukh Singh & Lakhbir Kaur Gill	Surrey	*Environmental Management Act*		77	An Information Order was issued after numerous reported incidents of sewage spills at a mobile home park. The order requires that a written report, prepared by a qualified professional (QP), be submitted to the Ministry. The report must include the following: 1) a statement of qualifications of the QP; 2) the number of mobile homes currently connected to the sanitary sewer line, and the maximum number of mobile homes that the entire property can accommodate and be safely connected to the sanitary sewer line without causing any spills or failures; 3) an assessment of the operating and physical conditions of the sanitary sewer line and all clean-out traps, based on engineering and construction standards; 4) a statement indicating whether the entire sanitary system is either adequate or inadequate to prevent failures; and 5) copies of the Spill Emergency Response and Maintenance and Repairs Plans.
South Thompson Holdings Inc. & David Patriquin	Kamloops	*Water Act*		93(2)(i); 93(2)(q)	An Engineer's Order was issued to a landowner for filling in a wetland area. The order requires the landowners to remove all of the fill deposited in the wetland.
Chrysanthos, Vann	Enderby/ Blomme Brook	*Water Act*		93(2)(k)	An amendment was made to an Engineer's Order originally issued in 2007. The amendment will provide the landowner with more time to undertake works to comply with the requirements of the original order. The original order was issued to address an unauthorized diversion of water from a stream. The landowner was ordered to divert the water back to the stream and return the riparian area to its pre-construction state.

Administrative Sanctions

Angling, hunting or firearm licence cancellations against individuals (s.24 Wildlife Act)
